Do you know the real story behind the New Testament? We all share a fascination for discovering 'the rest of the story.' We enjoy learning the behind-the-scenes facts about seemingly familiar events. In this eight-session video Bible study, well-known Bible scholars N.T. Wright and Michael F. Bird team up to take you on a tour of the story behind the explosive story of the New Testament.

You will discover things you never knew about Jesus' baptism and journey into the wilderness, the meaning behind his parables and miracles, the significance of his death and resurrection, the incredible expansion of the early church into the Greco-Roman world, and how the transforming mission of Jesus can still turn the world upside down today.

Through reading the New Testament we continually discover that God indeed keeps his promises, but those promises don't always look like what people expected.

PHOTOS FOR ZION ARCHIVES

During the filing and cataloging the photos in the archives we discovered that we have very few photos of changes made to the building and events, especially recent ones. We have no photos of the chapel in the "hockey shop" or its sign. If you have photos of Zion or events at Zion, please share them with the church. If you only have one copy, we will make a duplicate copy. Please bring or email any photos to the church office,
